**METROTEX ASSOCIATION OF REALTORS®, INC.
KEYBOX AND KEY RULES AND REGULATIONS**

The following Rules and Regulations (the "Rules") shall apply to members of all Associations/Boards of REALTORS® who participate (the "Participants") in the KeyBox System of the MetroTex Association of REALTORS®, Inc. ("MetroTex"), and shall also apply to members of all Association/Boards who do not participate in the KeyBox System of MetroTex, but utilize the KeyBox System of MetroTex (the "Non-Participants"). The Participants are: MetroTex Association of REALTORS®, Inc., Stephenville Association of REALTORS, Inc. and Navarro County Association of REALTORS®, Inc. (Associates of both the Participants and the Non-Participants are sometimes referred to collectively as the "Associates.")

The following Rules for the use of the KeyBox System have been established by MetroTex and shall remain in full force and effect until changed or modified by the Board of Directors of MetroTex Key Services, Inc.

1. Use of KeyBoxes on Property. Associates are not required to place KeyBoxes on listed property. Associates are encouraged to use the KeyBox on all listed property. However, if an Associate or the owner elects and signs a consent form required by MetroTex, the Associate may use a combination lockbox on the property and shall so note in the MLS.
2. More than One KeyBox on Property. Associates may place two or more KeyBoxes on the same property. Associates may place both a recording KeyBox and a combination (non-recording) lockbox on the same property. However, these practices are not encouraged by MetroTex.
3. Updating of Keys. Associates must update their Keys at least once a week or as established by MetroTex in writing from time to time.
4. Conditions of Key Use. An Associate may not use his or her Key to access a KeyBox without first calling the listing office (or, if applicable, calling the appropriate showing system utilized by the listing office) to ascertain the availability of the property, make an appointment with the owner, and obtain and follow any other instructions from the listing office or appropriate showing system. This rule does not apply to vacant property. If the listing Associate has indicated in the MLS that the property is vacant and has authorized "GO" in the MLS, then the Associate may proceed to the property and use the Key to obtain entrance through the KeyBox. Upon receipt of a complaint against a member alleging violation of the rule requiring an Associate to make an appointment and to follow showing instructions to show property through the listing office or appropriate showing system, MetroTex staff will notify that member in writing that the member may be required to appear at a hearing before the MLS Committee of MetroTex. Upon request of the MLS Committee, the current complaint(s) and any prior complaint(s) against the member may be presented for consideration and action.

5. Key and KeyBox Changes. Changes requested by an Associate of a Participant or Non-Participant for programming of his or her Key or his or her KeyBox may be made by the staff of any Participant. The staff members at the Board/Association so authorized to make such changes are further authorized to:
